GET THOSE PHOTOS IN BOOKS!

CHECKLIST

GATHER YOUR PHOTOS

- [ ] Import all photos to computer
- [ ] Sort by month/year
- [ ] Make sure you've found photos for all major occasions + birthdays for the year *(make a list of occasions and/or months to track down to the right)*

NARROW IT DOWN + EDIT

- [ ] Copy all of your faves into a 'picks' folder, don't be picky here
- [ ] Use a folder in your sidebar OR Lightroom and the P (picks) flag
- [ ] If editing, adjust exposure, contrast + crop the image for focus. Export at 300DPI

TIME FOR PHOTOBOOKS

- [ ] Choose a photobook service, create a login, choose a template
- [ ] Upload all photos for 1 year to the album Automatically fill the album or do this manually
- [ ] Add any embellishments, text + overlays
- [ ] Design the cover (Add the year to cover + spine)
- [ ] Save your design for a sale day (sign up for emails)
- [ ] Start a NEW project for each year
